# GREAT LIBRARIES DESERVE GREAT FRIENDS

## We Advocate

by publicly supporting, endorsing and encouraging the use of the Multnomah County Library.

## We Fund Programs

including books and author visits for Pageturners reading groups in all neighborhood libraries. We support library staff education and promote literacy programs such as Read 4 Life, Multnomah County Library's adult summer reading program.

## We Raise Money

with our fall and spring used book sales, our Friends Library Store, online book sales and Friends membership.

## And You Can Get Involved!

Meet interesting people by volunteering at our book sales, in our book sorting room or in the Friends Library Store, by joining the board of directors or a committee, or by recruiting new members. Help to make a great library even better!

## Donations of Materials

Much of our funding depends on your donated materials. Bring up to two boxes per visit to your neighborhood library. A list of acceptable materials and instructions for larger donations are at: [friends-library.org](http://friends-library.org)

## Friends Mission

The Friends of the Multnomah County Library advocate for and support our outstanding public libraries. We are committed to providing supplemental funding for library programs and services and sponsoring activities which engage people who value our library.
